

Helping people with developmental disabilities live life to its fullest.

WHO WE ARE

Hammer has compassionately cared for people with developmental disabilities for over 94 years. It is not just what we do, it is who we are. Our donors, advocates, volunteers, and staff are truly dedicated to our mission and unique culture.

Give

Our compassionate, skilled and dedicated caregivers provide a secure and accessible home within communities for each individual we support.

They provide the individuals we serve, the choices that allow them to gain self-confidence and live a full life.

Your financial support is vital for us to continue the quality care for the individuals and positively impact each person's life.

It is only with you as our partner that we are able to continue to do this important work.

Partner with us to support those living with disabilities.

Advocate

We know when our staff, volunteers, board members and families come together, we are a powerful force to advocate for change.

Together, we can impact legislation that improves the lives of the people we serve as well as impact change in the broader disability community.

Our advocacy efforts aim to bring together our main stakeholder groups to bring change that improves the lives of the people we serve.

Advocacy groups include families, friends, staff, volunteers, and self-advocates, who are individuals served by Hammer.

Please help us advocate for change.

Volunteer

Helping a person reach their individual goals and dreams is an amazing gift that you can give.

We sustain a robust network of volunteers by offering a variety of engaging activities for both individual and group opportunities.

Whether you are a companion, special events volunteer or exercise partner, the gift of your time and talent can be life changing to someone with a developmental disability.

Whatever opportunity you choose, we will warmly welcome you to our community of caring and committed volunteers.

Join us and make a difference.
